## **Consideration of the Covid19 Risk by the participants:**

By registering for the International Nice Christmas Regatta 2022, all competitors, as well as their teammate, certify that they are aware of the Covid-19 risk, and have taken it into account. Each competitor and accompanying person is therefore fully aware of :

- hygiene and physical distancing measures, known as "barrier gestures", to be observed anywhere and at any time, as well as additional provisions enacted by the French Ministry of Sports, and undertakes to respect them,
- the risk of contamination accentuated by the proximity of another person, in particular when sailing on a crewed or double sailboat, or any other situation of proximity of less than one meter, without adequate reinforced protection,
- that despite the implementation of reinforced means of protection, the practice may expose you to a health risk, in particular contamination by Covid-19,
- that despite the measures taken and the means committed, the host establishment, the structure/club, cannot guarantee total protection against exposure and contamination with Covid-19. It releases the Organizing Authority from any liability in the event of contamination,
- that all these measures aim to preserve the health and physical abilities of the competitors, companions and members of the Organizing Authority participating in the competition

**In case of a positive Covid test**, any participant must withdraw from the competition. Anyone who is declared as a contact case must be tested in accordance with the protocol in force. Suspected case of COVID 19: A competitor, an accompanying person who presents symptoms related to Covid 19, must be tested as soon as possible. If this test is positive for COVID19, he must immediately abandon the race / competition and comply with the directives of the health authorities. If it does not do so, the protest committee may also open an investigation according to RRS 69.
